Revenue from sales

The Company total revenue for the second quarter ended 30 June 2023, was 614.79 million baht, decreased of 391.76 million baht or 38.92 % compared to the same period of last year with total revenue of 1,006.55 million baht and 1,277.14 million baht for the six-month period ended 30 June 2023, decreased of 867.66 million baht or 40.45% from the same period last year's total revenue was 2,144.80 million baht.

The mainly reasons were due to lower average selling prices compared with the same period last year due to high competition from both domestic and oversea sellers, as well as interest rate hikes, and Russian-Ukrainian problems.

Cost of sales of goods

Costs of sales of goods for the second quarter and the six-month period ended 30 June 2023, were 626.53 million baht, decreased of 256.01 million baht or 29.01% and 1,294.51 million baht or a decreased of 535.46 million baht or 29.26% respectively. This was in line with the decline in sales revenue due to the economic conditions of the economy, minimum wage, electricity, and energy shortages have caused energy prices and other products to rise. As a result, the Company raw materials such as chemicals and packaging have increased their prices in line with direct sales costs. The increase in the Company gross profit has decreased.

Distribution costs

Distribution costs for the second quarter and the six-month period ended 30 June 2023, were 9.18 million baht, decreased of 0.91 million baht or 9.02% and 19.15 million baht, decreased of 4.15 million baht or 17.81% from the same period of last year due mainly to export and freight expenses, which were variable from sales revenue.
